J.R. Love

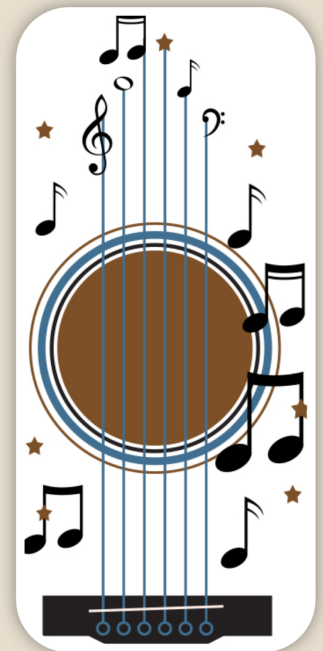

Vocals, Lead guitar

J.R. Love was born in St Louis Missouri. Singing and playing Country Music has been a big part of his life over the past 30 years. J.R.'s musical talents were evident at a very early age. Listening to good ole Gospel and Country music, The Grand Ole Opry, Hee-Haw and country legends such as George Jones, Charlie Pride, Mickey Gilley, Elvis, George Strait, Ray Price, and Merle Haggard, has inspired J.R. to use his God given talents to sing and play Country and Gospel music. Currently, he has his own band, "The Country Sensations" which performs every first Saturday of the month at the Cannon Dam Opry in Perry Missouri. Along with keeping the Band "a rollin" he performs as a guest at different venues during the year to include such venues as the GMAC Board of Directors Band, Wilcox Opry, The Belle Star Theatre, Patterson Theatre (IL), and The Bugg Family Opry (IL). Through the years J.R. has played and sang at a variety of different venues, meeting many people who have become his friends and fans.

J.R. enjoys singing and playing Country, Gospel and even the Blues on occasion. He also loves to play the Bass guitar when performing with the Band and Flat Top when performing as a guest with others. He is a dynamic performer, personable, soft-spoken, and self motivated. When he performs he sings from the heart and gives all to the audience. Sometimes he surprises everyone with a joke, which he has a very unique way of doing. He is an experienced entertainer, treating the bands, the people he works with, and his audience with respect. One of his biggest satisfactions and rewarding feelings is to look out in the audience and see the people enjoying the music smiling and having a good ole time. He feels that if he makes one person laugh or have one of his songs touch someone then it's so very rewarding. J.R. would like to thank his fans and those who have supported his music career.
